BIG REAL ESTATE SALE.

Maysville Fairgrounds Sold Yester-
day to Andrew C. Sphar.

One of the most valuable pieces of real es-
tate in this locality changed hands yesterday,
when Mr. John Duley, as Agent for the owners,
sold the Maysville Fairgrounds.

The owners were Messrs. James W. Fitzger-
ald, P. P. Parker, David Hochinger and Thomas
A. Keith, the purchaser was Mr. Andrew C.
Sphar, and the price was \$10,000 cash.

The purchase embraces all that part of the
land lying between the C. and O. Railroad and
the river, comprising about 60 acres, and in-
cludes the Amphitheater, Floral Hall, stables
and all other buildings.

There is nowhere in this section a more de-
sirable location for a Fairground; or one on
which more money has been expended for im-
provements, the original plat of 89 acres, the
track, buildings, water-works, etc., having cost
fully \$100,000.

The sale will in no way interfere with the
coming Elk's Fair, or probably with any fairs
that may be held for several years to come.

Call and see the new line of ready-to-
wear Hats on Friday and Saturday at Mrs. M.
Archdeacon's.

fall a few days since in which she broke one of
her hips.

The C. and O. will shortly begin the work of
increasing the yardage facilities, building a new
Depot and making other improvements at Hunt-
ington. Division headquarters will be estab-
lished there.

The People's Building Association is now
ready to receive subscriptions for stock in the

ser or any of the officers or Directors.

Rev. Frank E. Cooley of Harrodsburg has

Milwaukee, Wis., E. M. Dickson of Paris and
James Quarles of Louisville, were in Flemings-
burg Tuesday to attend Court and look after an
injunction pertaining to the Fish Bros. Wagon
and Colonel John I. Winter of this city.

Mr. R. P. Omohondro, a former resident of
Augusta but for several years engaged in busi-
ness in Chicago, died yesterday morning in Cin-
cinnati, after an illness of some six weeks. He
was about 43 years of age and a worthy and
popular gentleman. About a year ago he made
a visit to his sister, Mrs. John I. Winter of this
city, and while here formed many acquaintances
who will regret his death. His remains will be
removed to Augusta for interment.

HUGHES—COBB.

Yesterday afternoon at the home of Miss
Mattie Scudder her sister, Mrs. Addie V. Cobb,
was married to Mr. Thomas B. Hughes of the
West end of Mason county.

The Rev. John C. Moiloy performed the cere-
mony, which was said at 2:30 o'clock.

There were present just the immediate families
and intimate friends.

The bride is a most estimable woman indeed,
with markedly strong characteristics along the
domestic line as well as attributes which have
drawn to her strong friends and a wide circle
of admirers. She was gowned in a gray travel-
ing suit, with hat and gloves to match.

Mr. Hughes is one of Mason's strong sons;
thrifty and successful, a veteran of the Civil
War, courageous and chivalrous, he deserves
the happiness which is now his.

Mr. and Mrs. Hughes left on the C. and O.
for a trip out West. After this season of vis-
iting they will return to the groom's farm where
is a pretty home, and amid the beauties of
nature and surrounded with plenty these twain
will live for aye.

River News

The Tacoma will be down tonight from Pom-
roy.

The Indiana for Charleston will pass up to-
night.

The Keystone State will be up tonight for
Pittsburgh.

There is a slight rise coming out of the rivers
at headwaters.

The J. B. Lewis and Florence Marmet passed
up with empties for Kanaawa.

The towboat Sprague is coming up from New
Orleans with 32 coalboats and 11 barges and
will add three more barges at Helena. This is
the biggest tow of empty craft ever attempted
up the Mississippi.

Rivermen are complaining loudly of the con-
dition of the river at the trap just below Se-
wickley. The towboats Jim Wood and Cruiser
went aground there but were pulled off. The
Virginia scraped her bottom along down Satur-
day night, and the Keystone State had a hard
time getting through. This condition is caused
by the Government dredging a new temporary
channel on the Coraopolis side of the river so
that the boats can use that side while the wick-
ets are being put in for the new dam at Mer-
rill. The new channel will not be completed
for some time, and on the present stage of
water the old channel is very dangerous, the
bottom of the river at that point being treach-
erous.

THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—
"A newspaper whose columns over-
flow with the advertisements of busi-
ness men has more influence in at-
tracting attention to and building up a
city or town than any other agency
that can be employed. People go where
there is business. Capital and labor
will locate where there is enterprising
community. No power on earth is so
strong to build up a town as newspa-
pers well patronized, and this power
should be appreciated."

How to Ward Off an Attack of Rheu-
matism.

"For years when springtime came on and I
went into gardening, I was sure to have an attack
of rheumatism and every attack was more severe
than the preceding one," says Josie McDonald, of
or Man, Logan county, W. Va. "I tried every-
thing with no relief whatever, until I procured
a bottle of Chamberlain's Pain Balm, and the
first application gave me ease, and before the
first bottle was used I felt like a new person.
Now I feel that I am cured, but I always keep a
bottle of Chamberlain's Pain Balm in the house,
and when I feel any symptoms of a return I soon
drive it away with one or two applications of this
ointment." For sale by J. Jas. Wood & Son,

The readers of this paper will be pleased to learn
that there is at least one dreaded disease that
science has been able to cure in all its stages and
that is catarrh. Hall's Catarrh Cure is the only
positive cure now known to the medical frater-
nity. Catarrh being a constitutional disease, re-
quires a constitutional treatment. Hall's Cat-

upon the blood and mucous surfaces of the system,
thereby destroying the foundation of the disease,
and giving the patient strength by building up the

THE BEE HIVE!

A BIG CIRCUS!

Once upon a time there was a great circus in Coatsville, and the circus had such a great reputation that country people many miles around
came to see it; in fact, a great many that came had a hard time to get standing room. This circus always played at Coatsville, and of course the
merchants of Coatsville had big trade. Around Coatsville there were a great many little country towns, and they found that their little circus did
not bring the crowds or even keep the people from going to Coatsville, so these little places had a meeting and decided to pass laws to keep the
people home, and placed guards with a big gun on all streets and put a big sign on the gun that read, "Don't go to Coatsville, for we have a circus
of our own that needs booming;" but the people went through the fields. MORAL—See that your own circus is all right and you need not bother
about others.

REPUBLICAN CONVENTION.

The Republicans of Mason county will meet at the Council Chamber in the city of Maysville at 2 o'clock Saturday afternoon, May 2d, to select delegates to the Railroad Convention which meets at Paris on Wednesday, May 6th.

WILLIAM D. COCHRAN, Chairman.

The Louisville Evening Post says it was claimed by the friends of Mr. Hendrick that he would come to Louisville with 30,000 majority; and then that paper reverts to some of the occurrences which

Dosed With Their Own Medicine.

took place during the Taylor-Goebel campaign of 1899, when Mr. Hendrick was in full sympathy with the infamous Goebel Machine.

By way of emphasizing its position The Post says the public will not accept these figures as being accurate to any degree, and it refers to them merely to point a moral and to adorn a tale.

It has been said that the Beckham Machine is in entire control of the Democratic party, and that it will conduct the election regardless of the rights of the other candidates.

The storm center seems to be in Louisville, as it was in the state election in 1899. The Goebel Machine was then in absolute control of the election machinery, as the Beckham Machine now is.

The people had no rights the Machine lead-

ers felt bound to respect. On the contrary, CARUTH and HOERTZ went beyond the law in their determination to prevent in Louisville a free election and a fair count.

The Post then invites the attention of the gentlemen who supported Mr. Hendrick to this retrospect. They are denouncing Machine methods today, but four years ago in the face of a damnable conspiracy against the people of Louisville, they uttered no word against contemplated election outrages. HOERTZ and CARUTH denied to the Brown Democrats the poor privilege of having inspectors and challengers at the polls.

Then, at the last moment, they changed the officers in eighty-seven precincts, putting the Machine tools in the place of the legally selected Republican representatives.

In all that turmoil there was no protest from Mr. Hendrick or any of the so-called leaders of the Democrats today.

These gentlemen with delight saw the conspiracy proceed step by step, confident that the vote of Jefferson county would be counted 5,000 for Goebel, and insure his election.

The primary of May 9th, 1903, will be dominated by the spirit which dominated the Democratic organization in 1899. What that organization attempted at the general election in 1899 may be executed in 1903 at the Democratic primary. The spirit of the Democratic party has not changed. It was not then, it is not now, the friend of fair elections. Success has made it more defiant, and popular indifference to the result will make it easy to do what it designed to do in 1899, that is, make the returns to suit the political necessities of the faction in control of the election machinery.

At Portsmouth it cost Mr. BILL POLLY \$8 to steal 40 cents worth of coal. This made the net price about \$2 a bushel.

Shelby county's total indebtedness amounts to less than \$47,000. The total valuation of taxable property is \$11,000,000.

The United States Supreme Court has refused to interfere with the state regulations in regard to Negro suffrage. The case was an appeal from the Negroes of Montgomery county, Alabama, because their names were omitted from the voting list.

Three foundrymen were drowned in the Mississippi near Quincy, Ill., while returning from the funeral of a fellow-worker, who had committed suicide.

One may get an appreciation of the magnitude of the St. Louis World's Fair by comparison. The Centennial Exposition covered 236 acres, the last Paris Exposition 336, the Columbian Exposition at Chicago 633, while that at St. Louis will cover 1,180 acres. The total cost of the Columbian Exposition, the greatest the world had ever seen, was \$27,250,000. That of the St. Louis Fair will be \$40,000,000—this exclusive of state appropriations.

Scores of representative citizens of Maysville are testifying on the following subject. Such a record of local indorsement is unequalled in modern times. This public statement made by a citizen is but one of the many that have preceded it and the hundreds that will follow. Read it:

Woodward, residing at West End near Pogue's Distillery, says: "Pains in the back and other evidences of a disturbed condition of the kidneys were quickly and thoroughly cured by the use of Doan's Kidney Pills which I got at J. There is no reason why ladies should suffer from backache and kindred troubles when such a reliable and effective preparation can be had."

AN EMPHATIC ANSWER

To all of that "Tommy Rot" that the Trust men have been feeding you! They were only "Guying" you! They are paid to sell you Trust machines at a big price! They have to offer some excuse for trying to sell you a light-weight, cheaply-constructed and inferior Binder at an advanced price! They dare not admit the truth! If they did no one would buy a Trust machine. So they all tell you that a Minnie Binder is "no good," while we tell you it is the best one on earth. **READ THIS STATEMENT AND DECIDE FOR YOURSELF WHO HAS LIED!** Some one is guilty!

FEESBURG, OHIO, April 21, 1903.

This is to certify that I have owned and successfully run for seventeen years a Minneapolis binder which has at any and all times given me complete and absolute satisfaction. This binder that I own—seventeen years old—is a matter of neighborhood gossip. The entire neighborhood knows just what this binder has done, as during that time I have continually cut wheat for my neighbors. This binder has been all over the neighborhood in the past seventeen years; has cut any and all kinds of grain, over any and all kinds of land, and is absolutely nonchokable. The same canvasses that were on the machine when I bought it are there yet, and I challenge any other binder to show a record of as many acres cut as this machine has cut, seventeen years old. I have practically spent no money for repairs upon this machine all during this time. Other binder companies knowing the age of this machine have all sent their salesmen to sell me a binder of some other make. To each and all of these agents I have made one, and only one reply, you could not give me anything but a Minneapolis binder. If anyone doubts the assertions made in this statement, they have only to ask any farmer in our neighborhood. There are some young farmers living in our neighborhood who remember distinctly that this binder cut their father's harvest before them. I wish to say to my brother-farmers that if they ever own a Minneapolis, they will own an Acme of perfection in binder building.

My address is Feesburg where I can be found at any and all times and I solicit communication in person or by mail by man, woman or child who is interested in this matter.

Very respectfully,

LOUIS LOVE.

Gentlemen of Mason county: Mr. Love's old Binder is here in front of our store upon exhibition. Mr. Love only lives fifteen miles from Maysville. You can call upon him and his neighbors and see what this old Minnie has done. This old machine is guaranteed to yet cut 100 acres of grain. Come and look at this old warhorse; see the excellent condition it is yet in! Look at the gear and cog wheels and learn for yourself the excellent grade of material which goes into the construction of a Minnie Binder.

BE A MAN OR A MOUSE!

Take your stand now either for the great Binder Trust or for John I. Winter, The Price Fighter. Remember always that there is not a Trust article in our stores.

REV. JAMES DOHERTY

Writing About

Paine's Celery Compound

Says: "I Was Benefited Beyond My Expectation."

The claim that Paine's Celery Compound is the only honest medicine in the world for the cure of terrible neuralgia, nervous and blood diseases, is fully borne out by the strong and convincing letters of testimony received every day of the year by the proprietors of the popular medicine. Nothing else has ever possessed anything like the power of Paine's Celery Compound to restore a healthy nervous tone to the

REV. JAMES DOHERTY.

entire body and to thoroughly cleanse the blood, making it impossible for neuralgia or rheumatism to find a lodgment in the system. Ministers, professional men generally, newspaper men, public officials, and brain workers, men whose daily outlay of vitality, because of hard, trying, anxious work, is excessive, find renewed nerve strength and vitality in Paine's Celery Compound. Its use dispels headaches, dyspepsia, heart trouble, general debility, and languor that are so common in springtime. Rev. James Doherty, Everett, Pa., writes thus:—

"I have used Paine's Celery Compound for neuralgia and the blood. I was benefited beyond my expectation. It is indeed the medicine for my system. It keeps everything in good turn. There is no drowsy, worn-out feeling to the user of the medicine. Those who use it and derive no benefit from it, simply abuse it."

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure unadulterated witch hazel. Important Announcement of the Maysville Gas Company.

Under 2,000 cubic feet.....\$1.50
Over 2,000 cubic feet and under 3,000 cubic feet.....\$1.25
3,000 cubic feet and over.....\$1.00

At a meeting of the Board of Directors of the Maysville Gas Company March 26th, 1903, it was ordered that on and after the 1st day of April, 1903, the above stated scale of prices for gas for all purposes, fuel and illuminating, should go into effect for private consumption.

All rates and discounts heretofore made are abolished. It was also ordered that after the 1st of April the old rates of the Company, which will be turned off, if account is not paid within five days after presentation, shall be strictly and inflexibly enforced, regardless of whom it may concern. (This action was taken, not to appear arbitrary, nor with the idea that the accounts of the consumers were not perfectly good any time during the month, or a year later, but in order that for the good of all concerned and in order that this part of the business of the Company might be taken up at a specified time during the month and disposed of and further in order that the time and thought of the Company's Agents and employees, now largely occupied with this work of collecting, might, for the benefit of the public, be directed towards giving consumers of gas better attention and more efficient supply and service.)

It was further ordered that, beginning the 1st of May, and for each and every month thereafter, the monthly statement of account of each consumer should be delivered to and examined by an Agent of the Company on the first day of the month, or second day if the first comes on Sunday, and that said account shall thereafter be due and payable at the office of the Company on Court Street within five days, and if not so paid gas will be promptly shut off.

The Gas Company further announces that after the first day of April they will handle and sell at cost price to gas consumers any of the great variety of this States and Ranges shown in the catalogue of the Detroit State Works, which price will be equivalent to 50% discount from the list prices in said catalogue. Said stocks will be sold for cash only, or according to the terms of a printed lease, whereby easy payments are extended over a period of from twelve to seventeen months. For instance, take a gas range listed in catalogue at \$22. The Gas Company will sell this range to consumer for \$14 cash, or for \$2.80 each at signing of lease and due per month for seventeen months, at the expiration of which time the range is sole property of consumer.

The Company has selected to handle the Detroit Jewel Gas Range on account of its known reputation for durability and economy in its consumption of gas.

The Gas Company will also handle at cost the fixtures and materials of the Welding Company in all of their many attractive varieties. Before closing this announcement the Gas Company wishes to publicly express its appreciation of the eminently fair, just and courteous treatment accorded them by His Honor, the Mayor, and Board of Council, particularly the Chairman and members of the Gas Committee, through whose efforts in behalf of the private consumers the above concessions in the price of gas are now made.

With the assurance to the citizens of Maysville that it will be the earnest effort of the Company and its Agents to give you the very best service at the very least cost, we beg to remain, very respectfully,
MAYSVILLE GAS COMPANY.

P. S.—On and after the 1st of April the Gas Company will have on exhibition at the plumbing establishment of Mr. Larry Langlois samples of the Detroit Jewel Gas Ranges, to the inspection of which those interested are cordially invited. You can leave your order for a range with any representative of the Gas Company, Mr. Langlois or your regular plumber, with either of the latter of whom you will have to make arrangements for connecting and fitting up range for use in case you place your order.

Mr. Thomas F. Fitzgerald, late of this city, will open a boarding house and restaurant in Carlisle.

Mr. John W. Tamme, aged 33, of Bourbon county, and Miss Anna M. Burke, aged 27, of Mayslick, marry today.

Mr. Leslie H. Lewis of Lexington, formerly of this city, has been granted a patent on a coal conveyor for locomotive tanks.

Il. D. Frisbie & Co., who drilled a third oil well between Milford and Mt. Olivet, struck oil in fine quantity and quality at a depth of 200 feet.

Mr. George King of Carlisle and Miss Katherine Noland, daughter of Mr. and Mrs. Hinton H. Noland of Kansas City, will wed May 27th at the home of the bride.

The marriage of Dr. James D. Jordan of Manchester and Miss Georgia R. Locke occurred last evening at the home of the bride's father, Dr. F. J. Locke, in Newport.

A Sweet Breath.	
Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Creek of White Plains, Ky., writes: "I have been a dyspeptic for years. Tried all kinds of remedies, but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet." J. Jas. Wood & Son.	

\$500 REWARD FOR WOMEN WHO CANNOT BE CURED.

Backed up by over a third of a century of remarkable and uniform cures, a record such as no other remedy for the diseases and weaknesses peculiar to women ever attained, the proprietors and makers of Dr. Pierce's Favorite Prescription now feel fully warranted in offering to pay \$500 in legal money of the United States, for any case of Leucorrhoea, Female Weakness, Protrusion, or Falling of Womb which they cannot cure. All they ask is a fair and reasonable trial of their means of cure. They have the most remarkable record of cures made by this world-famed remedy ever placed to the credit of any preparation especially designed for the cure of woman's peculiar ailments.

A beautiful Georgia lady, Vice-President of the East End Yacht Club of Savannah, and prominent society there, relates the following experience: "You certainly have produced the finest medicine for suffering women that is to be had in the country. I want to recommend it especially to mothers. I was seventeen years old when my darling boy was born. Felt very excited and weak for a long time, and it seemed I could not get my strength back. My sister-in-law bought me a bottle of Dr. Pierce's Favorite Prescription (after I had tried several of the other remedies which are so much advertised, and found no relief). I had little faith in the medicine at the time and was so weak and sick that I felt discouraged, but within a week after I had commenced taking your 'Prescription' I was like a different woman. New life and vitality seemed to come with each succeeding day, until, in a few weeks, I was in fine health, and a happy, hearty woman. My boy is now two years old, and, thanks to your splendid medicine, I am enjoying perfect health. If at any time I feel tired or in need of a tonic, a few doses of your 'Favorite Prescription' recuperates me at once. My address is No. 517 Jones Street, East, Savannah, Ga. To Dr. R. V. Pierce, Buffalo, N. Y."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach, blood and lungs. The Common Sense Medical Adviser, 1008 large pages in paper covers, is sent free on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y. Dr. Pierce's Pleasant Pellets are a ladies' laxative. No other medicine equals them for gentleness and thoroughness.

For liver troubles and constipation There's nothing better in creation Than Little Early Risers, the famous little pills; They always effect a cure and save doctor bills.

Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. J. J. Wood & Son.

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

Let us show you our new Shirts, new Hats, new Neckwear, etc., etc.
